10 Working in partnership with parents/carers and other agencies procedures

10.2 Making a Complaint

There is a fair way of dealing with issues as they arise in an informal way, but parents/carers may wish to exercise their right to make a formal complaint. They are informed of the procedure to do this, and complaints are responded to in a timely way. The same procedures apply to agencies who may have a grievance or complaint.

Parents/carers

- If a parent/carer is unhappy about any aspect of their child's care or how he/she feels he/she has been treated, this should be discussed with the child's key person. The key person will listen to the parent/carer and acknowledge what he/she is unhappy about. The key person will offer an explanation and an apology if appropriate. The issue and how it was resolved is recorded in the child's file and Complaint Investigation Record. The recording will also make clear whether the issue being raised relates to a concern about quality of the service or practice, or a complaint. For allegations relating to serious harm to a child caused by a member of staff or volunteer procedure 6.2 Allegations against staff, volunteers or agency staff will be followed.
- If the parent/carer is not happy with the key person's response or wishes to complain about the key
 person or any other member of staff, he/she will be directed to the Manager. Some parents/carers will
 want to make a written complaint; others will prefer to make it verbally, in which case the Manager
 writes down the main issues of the complaint using the Complaint Investigation Record and keeps it in
 the child's file.
- The Manager will investigate the complaint and provide time to feedback to the parent within 28 days. A
 confidential written report of the investigation is kept in the child's file if the complaint relates directly to
 a child.
- If the parent/carer is still not satisfied, or if the complaint is about the Manager, the Manager is asked to forward their complaint verbally or in writing to the Committee Chairperson.
- If the parent/carer is still not satisfied, then he/she is entitled to appeal the outcome verbally or in writing to the Committee Chairperson who will pass the matter on to Committee for further investigation, who will respond to the parent/carer within a further 14 days.
- If the complainant believes that the matter has not been resolved and there has been a breach of the EYFS requirements, they are entitled to make a complaint to Ofsted. The Manager will assist in any complaint investigation as well as in producing documentation that records the steps that were taken in response to the original complaint.
- The Manager ensures that parents/carers know they can complain to Ofsted by telephone or in writing at any time as follows:

Applications, Regulatory and Contact (ARC) Team, Ofsted, Piccadilly Gate, Store Street, Manchester M1 2WD or telephone: 0300 123 4666

Agencies

- If an individual from another agency wishes to make a formal complaint about a member of staff or any practice of the setting, it should be made in writing to the Manager.
- The complaint is acknowledged in writing within 10 days of receiving it.
- The Manager investigates the matter and meets with the individual to discuss the matter further within 28 days of the complaint being received.
- An agreement needs to be reached to resolve the matter.
- If agreement is not reached, the complainant may write to the Committee Chairperson, who acknowledges the complaint within 5 days and reports back within 14 days.
- If the complainant is not satisfied with the outcome of the investigation, they are entitled to appeal and are referred to the Committee.

Ofsted complaints record

- Legislation requires settings to keep a record of complaints and disclose these to Ofsted at inspection, or if requested by Ofsted at any other time.
- The record of complaints is a summative record only.

A record of complaints will be kept for at least 3 years.

 In all cases where a complaint is upheld a review will be undertaken by the Committee to look for ways to improve practice where it is required.
